

Wickson Creek SUD lifts Stage 1 Drought Contingency Requirements

Effective Friday, November 3, 2023, Wickson Creek SUD is lifting Stage 1 of the Drought Contingency requirements due to recent cooler temperatures and rainfall. We ask that all customers continue to practice water conservation as we are still in “D2 Severe Drought” conditions according to the U.S. Drought Monitor. Due to each of your conservation efforts, we have made it through this difficult summer without having to go into Stage 3. Wickson Creek SUD thanks everyone for their cooperation.

U.S. Drought Monitor Texas

October 31, 2023
(Released Thursday, Nov. 2, 2023)
Valid 8 a.m. EDT
