REQUEST FOR SERVICE DISCONTINUANCE

I, _____, hereby request that the water meter for account number _____ located at _____, be disconnected from Wickson Creek Special Utility District service on _____ and that my deposit be refunded to me. I understand that if I should ever want my service reinstated I will have to reapply for service as a new customer and I will have to pay all costs as indicated in a current copy of the Wickson Creek Special Utility District Tariff and Service Extension Policy. Future ability to deliver service will be dependent upon system capacity, which I understand may be limited and may require capital improvements necessary to deliver adequate service. I also understand that these improvements will be at my cost.
